Modern Stoicism is an intellectual and popular movement that began at the end of the 20th century aimed at reviving the practice of Stoicism. It is not to be confused with Neostoicism, an analogous phenomenon in the 17th century. The term "Modern Stoicism" covers both the revival of interest in the Stoic philosophy and the philosophical efforts to adjust Ancient Stoicism to the language and ...

The ancient philosophy of Stoicism is enjoying a resurgence of interest today. Ryan Holiday, Tim Ferris, Patrick Bet-David and others are promoting Stoicism as a valuable guide for living, and it's garnering the interest of CEOs, professional athletes and Silicon Valley tech workers. But there are good reasons to steer clear of Stoicism as a guide to life and to seek a better philosophy.

1. Some things are in our control and others not. Things in our control are opinion, pursuit, desire, aversion, and, in a word, whatever are our own actions. Things not in our control are body, property, reputation, command, and, in one word, whatever are not our own actions. The things in our control are by nature free, unrestrained, unhindered; but those not in our control are weak, slavish ...
